### ALEX LIFESON LES PAUL AXCESS

Created through extensive work with Alex, this new model incorporates the Graphtech™ Ghost®-equipped Floyd Rose® licensed tremolo and newly designed output circuitry that offers unprecedented signal routing (via “Regular” output jack and/or “Life-O-Sound” output jack) and tonal shaping flexibility (via push/pull pots) that takes full use of the guitar’s complete pickup arsenal. Available in Viceroy Brown and Royal Crimson finishes, both of which were specified and approved by the artist.

#### SPECIFICATIONS

- 1 Piece Mahogany Back
- Figured Maple Top
- 1 Piece Mahogany Neck
- Bound Rosewood Fingerboard
- Pearloid Trapezoid Inlays
- Viceroy Brown, Royal Crimson finishes
- Green Key Tuners
- Graphtech™ Ghost® piezo system-equipped Floyd Rose® licensed tremolo
- 496R/498T Humbucking Pickups
- 3 Volume controls: 2 push-pull volume pots for series/parallel wiring of each respective magnetic pickup, 1 volume pot for piezo
- 1 Master Tone control: magnetic pickups only
- 3-way toggle pickup selector switch (magnetic pickups only)
- Dual output jacks:
  - “Regular” – magnetic and piezo signal outputs combined
  - “Life-O-Sound” – piezo signal output only (“Regular” then has magnetic signal output only)
